LAB REPORT SUBMISSION GUIDELINES

General Requirements:
1. All lab reports must be original. Plagiarism will result in 0 grade. No part of the report can be shared.
2. Use your own data from the experiment to write the lab report.
3. Pre-Lab must be completed before the beginning of the lab.
4. Do NOT copy sections like objectives and theory from the lab manual.
5. Turn in your lab assignments on time. 2 points will be deducted for each day late. No assignments will be accepted after they are one week late.
6. Type your lab report. A hard copy is required.

Grading Criterions:
1. Title page  
   (Your name, UCLA student ID, section #, partner’s name, experiment title, date…)  
2. Objectives  
   (What is expected to be achieved in the experiment.)  
3. Theory and Procedures  
   (Explanation of concepts and equations for analyzing the experiment. Circuits and methods used for making the measurements.)  
4. Pre-Lab (If there is any)  
   (Must be finished before the beginning of the lab. Will be signed at the beginning of the lab.)  
4. Results and Analysis  
   (Use tables and graphs to illustrate your results whenever necessary. Try to relate the experiment and the theory and account for any mismatch, including the proper error analysis.)  
5. Discussion and Conclusion  
   (Answer ALL questions posed by the lab manual. What you have learned. How your experiment succeed.)
